About Largo

Created in 2016, Largo is a group fundamentally involved in the circular economy. With close to 40 staff based in Nantes, Western France, Largo refurbishes Smartphones, tablets and laptops. Positioned along the entire value chain, from sourcing to refurbishment and distribution, Largo wants to become a benchmark player in the field of responsible refurbishment. A pioneer in terms of transparency, in 2018 Largo invested in a sophisticated production tool enabling it to optimise its processes and the quality of its products. Entirely internalised in France, the refurbishment site offers full control of each key stage: reception, testing, reparation, quality control and after-sales service. Since the Company's creation, Largo has already refurbished more than 140,000 Smartphones, and generated revenue of almost €10.3 million in 2020.
